PHILOSOPHY OF CW EQUESTRIAN CENTER RIDING ACADEMY

The benefit of working with horses can produce confidence, patience, and a sense of accomplishment. Handlers learn how to efficiently analyze and respond to situations for not only themselves, but also for another being. Therefore, riding lessons are treated as a formal subject rather than just a "hobby." Lessons are structured with realistic goals and supplemented with an abundance of educational information outside of the arena. Crystal has dedicated herself to provide an Exceptional Equine Education to all her students & fellow Equine enthusiasts.
